### **NV ENERGY SUPPORTS NEW DEMO CART AT THE DISCOVERY**

*Science learning at the museum enhanced by new demo cart*

#### **WHAT:**

With support from NV Energy, The Discovery has designed and built a new demonstration cart—the hub of the museum’s science demonstration program. In addition to the opportunity to explore the museum’s galleries and exhibits, visitors are encouraged to participate in regularly scheduled demonstrations designed to bolster the interest and engagement in science created by a visit to The Discovery.

#### **WHEN:**

Tuesday, May 2, 11:00 a.m.

#### **WHERE:**

Terry Lee Wells Nevada Discovery Museum (The Discovery)  
490 S. Center Street, Reno

#### **DETAILS:**

The Discovery’s new demo cart was funded by a \$10,000 grant from the NV Energy Foundation. The grant supports the design and construction of the demo cart and development of additional science demonstrations offer to museum visitors and school field trips. NV Energy’s “Power of Good” campaign demonstrates the company’s commitment to the communities they serve through philanthropy, civic leadership and volunteerism. Giving back to the communities where NV Energy operates makes them better places to live, which in turn makes them better places to do business.

#### **VISUALS AND INTERVIEWS:**

- Three science demonstrations performed by The Discovery’s educators using the new demo cart
- Interviews with Mat Sinclair, President/CEO of The Discovery and Mary Simmons, NV Energy Vice President, Business Development and Community Strategy
