**Science Distilled: Fire Seasoned**

*-Join The Discovery and Desert Research Institute for an  
exciting night of cutting-edge science-*

(Reno, NV)- The Terry Lee Wells Nevada Discovery Museum (The Discovery) invites you to join them at the third event in their new lecture series entitled *Science Distilled*, on October 12, 2016 at 7 p.m. at the Brewer's Cabinet production facility, 8565 White Fir St. Unit B1. The

This month's presentation, *Fire: Friend or Foe* examines the line between fear of fire as a force of destruction and awe of the power of fire as a necessary part of nature's cycles. Guest speakers are Adam Watts, a fire ecologist and Tim Brown a fire climatologist.

**What:** Science Distilled – Lecture Series

**When:** Wednesday, October 12. Doors at 7 p.m. presentation to begin at 7:30

**Where:** The Brewer's Cabinet Production Facility. 8565 White Fir St., Unit B1 Reno, NV

**Cost:** \$10 for museum members, \$15 for nonmembers

Must be 21 or over to attend.

Tickets available at [www.nvdnm.org](http://www.nvdnm.org).

**\*\* Cameras Welcome \*\***

The *Science Distilled* lecture series is created by the Desert Research Institute (DRI) and The Discovery, which aims to make cutting-edge science approachable through presentations on current and curious topics held at fun, hip locations in a social atmosphere. Science Distilled is supported in part by Newmont.
