POLICIES AND GUIDELINES

PLANNING AN EVENT

When planning an event at The Discovery, rental clients work closely with the Visitor Services Manager and contracted vendors. The Visitor Services Manager coordinates event logistics, manages setup and execution of the event and serves as a liaison between client, vendors and museum staff. The Visitor Services Manager does not perform the duties of an event planner.

The Discovery is available at a nonprofit rental rate (discounted 20% from the corporate rate) upon receipt of nonprofit documentation. In general, The Discovery does not allow other nonprofit organizations to host fundraising events at the museum. However, exceptions can be made—please inquire. Fundraising for political parties, political action committees and individual candidates is not allowed.

The Discovery reserves the right to review event plans, including décor and entertainment.

EXHIBITIONS AND TOURS

It is recommended that rental clients arrange for a guided tour of the museum for event attendees. Tours are led by a Discovery staff member and are available for an additional fee.

Access to galleries and exhibitions is not included in all event rentals at The Discovery. Please inquire at the time of reservation to arrange for a guided tour at an additional cost. Events guests may self-explore the museum if arrangements are made in advance.

EVENT PARKING

Event attendees are welcome to park in The Discovery's private lot on the north side of the building. Metered street parking is also available. Please ask attendees to adhere to the enforcement hours shown on the meters.

EVENT INVITATIONS

All invitations (hard copy and digital), advertisements, flyers, e-mail communications or other forms of announcements that include The Discovery's logo, name or address must be reviewed and approved by the museum prior to dissemination.

If the rental client plans to use a photograph of The Discovery on the event invitation, please submit the request for use to the Visitor Services Manager (rentals@nvdm.org) a minimum of one week prior to distribution.

MERCHANDISE

The Discovery's museum store offers a wide variety of items that provide guests with unique reminders of their museum experience. The museum store may be open and staffed during events by request in advance. With advance notice, The Discovery's staff is able to assist in selecting and wrapping museum store gifts for guests. Special orders may be placed prior to the event for attendees.

SIGNS AND DECORATIONS

The Discovery reserves the right to pre-approve all signage, printed materials, decorations and décor. Signs and decorations may not be affixed to any interior or exterior surface of the museum, including the entryway, without prior approval. At the conclusion of the event, all decorations and any other articles brought into The Discovery must be removed from the premises.

FOOD & BEVERAGES

The Discovery does not currently offer catering services. Rental clients will work directly with their chosen caterer and/or beverage supplier. The Discovery can offer a list of recommended caterers who are familiar with the facility.

POLICIES AND GUIDELINES (continued)

ALCOHOLIC BEVERAGES

Alcoholic beverages of any kind may not be served at events during museum hours. The Discovery reserves the right to discontinue the service of alcoholic beverages at any time during a function. Food must be served in conjunction with alcohol service.

TOBACCO AND FIREARMS

Firearms are not permitted on the premises at any time. Smoking, including electronic cigarettes and vapor devices, is not permitted anywhere on the museum premises, including outdoor spaces (plaza, parking lot, etc.) or areas directly adjacent to the museum building.

DELIVERIES AND CLEAN UP

Please provide a list to the Visitor Services Manager one week in advance of the event of all vendors and those authorized by your group to enter the museum during set up.

Scheduled deliveries and rental removal must be coordinated with the Visitor Services Manager and conducted in a way that does not interfere with normal museum operations or impact the experience of museum visitors.

LOST AND FOUND

The Discovery will not assume or accept responsibility for damage or loss of any items or articles left on the premises by the rental client prior to, during, or following the event.
