

# Hybrid & Distance Learning Program

## **Sample Daily Schedule\***

<b>7:50 – 8:00am</b>	Student drop-off (using pick-up/drop-off lane on Center Street)
<b>8:00 – 11:30am</b>	Students will be engaged in virtual learning and doing any homework assigned by their classroom instructors. There will also be an outdoors and/or museum exploration break during this morning block.
<b>11:30am – 12:30pm</b>	Student groups will rotate through lunch so that each cohort has time to eat. Weather permitting, lunch will be outside of the building.
<b>12:30 – 3:00pm</b>	Students will finish up any virtual learning and/or homework. Once they have completed their schoolwork, students will have the opportunity to do enrichment activities such as exploring robotics, building with real tools and materials in <i>The Shop</i> or working on collaborative art projects.
<b>2:45 – 3:00pm</b>	Student pick-up (using pick-up/drop-off lane on Center Street)
<b>3:00 – 5:30pm</b>	Extended hours (additional fee): Students will have an opportunity to continue working on specific enrichment projects, socialize with others, play games and explore the museum.

\* This tentative schedule is based on the information available from the Washoe County School District (WCSD) at this time. As we learn more about the expectations of students from their teachers and schools and how best to support virtual learning, we may adapt this schedule.
