

## Ever-changing, hands-on science experiences

Keeping the museum experience fresh and exciting is key to engaging the community in hands-on science exploration. The Featured Exhibition Program at The Discovery is designed to bring timely, immersive, and intellectually stimulating exhibitions to our community. By presenting a rotating schedule of high-profile exhibitions, we aim to attract diverse audiences, foster a deeper appreciation for science, stimulate curiosity, and fulfill our mission to be the place to experience science.

Over the past 12 years, The Discovery has hosted more than eight featured exhibitions ranging from *Monster Fish: In Search of the Last River Giants*, to *A T. rex Named Sue*, to *Survival of the Slowest*. Featured exhibitions are typically hosted for 3-6 months and drive attendance from throughout northern Nevada and around our region. Featured exhibitions also create unique opportunities for partnerships with local business and educational organizations.

Providing support for The Discovery's Featured Exhibition Program allows us to plan further in advance, scheduling the newest and most innovative exhibitions well into the future.

The following pages of this packet include details of The Discovery's upcoming featured exhibitions.

## Brick Masters Studio

### **BUILD WITH LEGO® BRICKS LIKE A PRO**

*Brick Masters Studio: Build with LEGO® Bricks Like a Pro* is an immersive and interactive exhibition that explores the intersection of creativity and science through hands-on exhibits and captivating sculptures built by acclaimed LEGO artist Sean Kenney. Through a series of engaging galleries, the exhibition combines the artistry of Sean Kenney with scientific exploration, fostering a deeper understanding of the creative process.

This unique showcase takes visitors on a journey as an apprentice to uncover the scientific principles and processes behind the creation of LEGO artwork. Visitors learn what it takes to design and build these impressive works of art.

The Discovery plans to host *Brick Masters Studio* from January through May 2026.

## Above & Beyond

### THE ULTIMATE FLIGHT EXPERIENCE

*Above & Beyond* celebrates the power of innovation to make dreams take flight. This 5,000 square-foot aerospace exhibition features immersive simulations, interactive design challenges, iconic historical touchstones, visionary concepts for the future, and inspiring stories from aviation innovators, past and present.

Design—and test-fly—your own supersonic jet. Pilot a drone into the eye of a hurricane to measure nature’s fury. Spread your wings and experience flight as a bird or a futuristic wing-flapping aircraft. Or take an elevator ride to the edge of space.

Packed with fun interactive challenges, vehicle concept models and prototypes, immersive media presentations, and inspiring stories, this large-scale exhibition invites visitors to experience what it takes to make the “impossible” possible.

The Discovery plans to host *Above & Beyond* in late 2026.

# Sponsorship Recognition

## Gift of \$100,000+

- Recognition (logo or name) in the Odysseys exhibition hall for three years
- 18" donor recognition graphic (logo or name) in The Discovery entrance hallway during each featured exhibition for three years
- Social media interview and two tagged social media shout-outs
- Public relations (news coverage) opportunities as available
- Invitation to exclusive exhibition preview events

## Gift of \$50,000

- Recognition (logo or name) in the Odysseys exhibition hall for three years
- 14" donor recognition graphic (logo or name) in The Discovery entrance hallway during each featured exhibition for three years
- Social media interview and two tagged social media shout-outs
- Invitation to exclusive exhibition preview events

## Gift of \$25,000

- Recognition (logo or name) in the Odysseys exhibition hall for three years
- 12" donor recognition graphic (logo or name) in The Discovery entrance hallway during each featured exhibition for three years
- Social media interview and two tagged social media shout-outs
- Invitation to exclusive exhibition preview events

## Gift of \$10,000

- Recognition (logo or name) in the Odysseys exhibition hall for two years
- 10" donor recognition graphic (logo or name) in The Discovery entrance hallway during each featured exhibition for two years
- Invitation to exclusive exhibition preview events

## Gift of \$5,000

- Recognition (logo or name) in the Odysseys exhibition hall for one year
- 8" donor recognition graphic (logo or name) in The Discovery entrance hallway during each featured exhibition for one year
- Invitation to exclusive exhibition preview events
